Item 4: Other Business Activities

Dario Kerkez conducts business for IHT Wealth Management.

Dario Kerkez is a registered representative of LPL Financial, a FINRA-registered broker-dealer. LPL Financial is a financial services company engaged in the sale of investment products. IHT professionals who effect transactions for advisory clients may receive transaction or commission compensation from LPL Financial. The recommendation of securities transactions for commission creates a conflict of interest in that IHT is economically incented to effect securities transactions for clients. Although IHT strives to put its clients' interests first, such recommendations may be viewed as being in the best interests of IHT rather than in the client's best interest. IHT advisory clients are not compelled to effect securities transactions through LPL Financial.

Item 5: Additional Compensation

Dario Kerkez receives additional compensation through his business activity described in Item 4 above.

Item 6: Supervision

Supervision of Dario Kerkez is performed by Lance Murray, Chief Compliance Officer, through reviews of internal transaction and security holdings reports, electronic and physical correspondence, and other internal reports as mandated by the firm and its regulatory authorities. Mr. Murray can be reached at 312-754-1326.
